This April we’re hosting an education and leadership conference that will bring together the very best in Texas Agricultural Science Education. With workshops, tours, and panel discussions - Growing Our Future is the event you won’t want to miss.

Your support and generosity can make the difference in the lives of our future Texas agriculturalists. **Help us by investing in their education and let’s grow our future together.**
Our purpose is to strengthen agricultural education and the Texas FFA program, so each student can develop their potential for personal growth, career success and leadership in a global marketplace.
Thank you for supporting an incredible event to empower students and educators in agriculture. The result of our efforts will be a more informed Texas constituency understanding and valuing agriculture and those who produce our food and fiber.

**Your support provides the fuel to help make dreams come true. Simply put, you are helping grow a better tomorrow.**

By supporting the “Growing our Future” event, you become part of a mission that matters - supporting youth, agriculture and leadership. You’re well aware special interest groups, celebrities and social media have created an engaging environment that often casts doubts about agriculture and how our food is produced. We must compete for the attention and minds of students who will become voters, leaders and advocates for Texas agriculture; those who will provide a safe and affordable food supply for a hungry world.

We’re proud to note that 200,000 students are enrolled in agricultural science courses and that Texas FFA membership is in excess of 130,000 (1 in 6 FFA members in the United States now reside in Texas). Our students are using STEM to solve real world problems, and now we have a chance to encourage their dreams, innovations and servant leadership for a better tomorrow.

Your generous support is making Texas a better place to live, work and raise our families. We look forward to seeing you in the Panhandle for An Evening for Texas Agriculture. Thank you!

Respectfully,

**Ken Johnson**
Chairman, Board of Directors
Texas FFA Foundation

**Growing Our Future**
Texas Agricultural Education Leadership Conference
Agricultural science students and Texas FFA members use STEM to solve real-world problems.
Mission

Student leaders today. Dynamic influencers tomorrow.
Through a coordinated effort by the Texas FFA Foundation to engage the Texas FFA Association, Vocational Agricultural Teachers Association of Texas (VATAT), Texas FFA Alumni Association, Collegiate FFA Association of Texas, and Texas Young Farmers Association in cooperation with business, industry, agricultural colleges/universities, and governmental leadership, the Texas FFA Foundation will work to advance agricultural education and the Texas FFA Program.

Building on the proven success of Texas agricultural education and the Texas FFA Program, our mission will be distinguished by the continued development, funding, and implementation of cutting edge learning opportunities focusing on: academic achievement, critical thinking, leadership and communication skills, technical and practical skills, teamwork, and a strong work ethic.

As a necessary step in enhancing the range and depth of our teacher’s capabilities, the Texas FFA Foundation will work to develop effective programs and alliances with corporate sponsors, private foundations, community, education professionals and governmental leaders to maximize learning opportunities for Texas teachers, students and communities.

To ensure a dynamic future for Texas agricultural education and the Texas FFA Program, the Texas FFA Foundation will seek financial resources sufficient to sustain these programs in perpetuity.
Our Purpose

We want to empower the academic and career dreams of students in agricultural science education by teaching them that they can succeed in the Texas workforce.

Growing enrollment and membership, while a blessing, is also a challenge for us to find resources to provide more opportunities, and to continue a successful engagement. Your support helps us do that and more.

Scholarships

We need students who understand agriculture and have the leadership skills to engage in a meaningful dialogue to help tell our story. We must compete for their attention, and empower their abilities to engage with matters of agriculture for a more positive future.
An Incredible Experience

Your support ensures our Texas FFA members have an incredible experience - from being recognized for a job well done, expanding their professional networks, or simply being inspired by the stories of others - one thing we know for sure is our country will be improved by investing in the lives of those who will follow in our footsteps.
Teacher and student testimonials
Our Voice

Brandon Noto
Teacher / Santa Fe FFA

We find ourselves at a time in history where it is imperative to equip students with skills that will apply to whatever unknown challenges the future has to offer. In order to feed a world whose population is exploding and whose natural resources are diminishing, we must empower students to be innovative, committed and driven to solving our greatest food challenges. By connecting students, educators and business leaders in a unique collaborative relationship, FFA provides the framework for agricultural success. As teachers we are challenged to compete for the minds of our students and provide opportunities to connect them to educational resources for career success. The FFA program provides a bridge to a better tomorrow and sponsors are providing the fuel for student achievement.

Jacob Evans
Student / Hallettsville FFA

The importance of agricultural science education is the difference between famine and feast. With the FFA jacket worn by over 130,000 Texas FFA members, the bright future of our society is budding with potential as you read. However, all our knowledge and progress would not be possible without our generous sponsors. Thank you for everything you’ve given me and my generation.

“The importance of agricultural science education is the difference between famine and feast.”

Jacob Evans
Student / Hallettsville FFA
“We must empower students to be innovative, committed and driven to solving our greatest food challenges.”

Brandon Noto
Teacher / Santa Fe FFA
FFA leadership development, coupled with a wide range of practical, hands-on experiences in various agricultural settings, develop a student's ability to professionally navigate conflicts clearly within the industry.

Hannah Alnemer
Student / Frisco - Liberty FFA
HANNAH ALNEMER  
Student / Frisco – Liberty FFA

FFA leadership development, coupled with a wide-range of practical, hands-on experience in various agricultural settings, develop a student’s ability to professionally navigate conflicts and communicate clearly within the industry. This effectively creates knowledgeable and well-versed young professionals and leaders suited to serve agriculture. Thank you, sponsors, for providing students an opportunity to develop not only their knowledge and passion for agriculture, but also their understanding of professional environments, which creates strong leaders who will inevitably inspire agriculture today and tomorrow.

BRETT GAYLORD  
Teacher / Joaquin FFA

Agriculture means everything to everyone’s future. Teaching and empowering students is a critical component to agriculture’s future. The FFA organization when combined with quality instruction, is undoubtedly one of the most effective leadership springboards available to our youth. Our students reap benefits of premier leadership experiences thanks to our sponsors. Agriculture and agriculture education are our gift to the future and its one that keeps on giving.
Veronica Osterman
Teacher / Gainesville FFA

We are developing a generation of students who are, primarily, almost a century removed from engaging in production agriculture. Now, it is more important than ever we convey the significance of understanding the farm to table continuum, while also setting our sights on evolving technologies that will impact the global agricultural economy. Because students can engage in so many aspects of this changing field through agricultural science education, FFA programs will continue to be the most effective tool for building the next generation of agricultural advocates.

There is no other teaching field that receives as much leadership, advocacy, development, or continuing education as Texas agriculture teachers. Through their continuing support, our sponsors and key stakeholders ensure that the opportunities for our students are limitless.

“Agribusiness needs us to continue to advocate and educate.”

Kellye Kirk Marshall
Teacher / Lufkin FFA

Agriculture instruction is more important today than ever! As our population continues to grow so does the needs of that population. We are constantly under fire and fighting a stereotypical image. Agriculture needs us to continue to advocate and educate. I can personally testify about my family’s experience with the FFA. The leadership, speaking skills, and life skills my daughters learned will greatly contribute to their career success! Sponsors your generosity has given me opportunities to participate in high impact professional development experiences that I can directly use in my classroom.

My personal experience was teaching 20 years of elementary school, but in my heart I always had a passion for the FFA; 6 years ago I made a giant leap and took on high school agricultural science education. Do what you love, and you will never work a day in your life! I am living the dream as an ag science teacher!

Kellye Kirk Marshall
Teacher / Lufkin FFA
“It is more important than ever we convey the significance of understanding the farm to table continuum, while also setting our sights on evolving technologies that will impact the global agricultural economy.”

Sponsor Opportunities

Learn how your involvement makes a lasting impact.

Sponsor recognitions will be seen throughout the two-day Growing our Future Leadership Conference and during the fundraising dinner on Monday evening. Title Team Sponsors will also be recognized year-round through the Texas FFA Foundation’s Corporate Sponsor Program.
Your support and generosity can make the difference in the lives of our future Texas agriculturalists. Help us by investing in their education and let’s grow our future together.
Title Team Sponsor

$25,000

- Title Team Sponsors also enjoy the Texas FFA Foundation’s recognition as “Corporate Sponsor” and receives year-round recognition / promotion (additional recognitions outlined on pg. 47)

- Premium seating and (3) reserved tables (8ppl) for evening dinner and program*

- .20 second promotional video (provided by sponsor) will be played onsite of event and during the annual Texas FFA Convention

- Promotion across Texas FFA Foundation social media platforms

- Logo recognition on event sponsor signage

- Logo recognition in printed event program

- Logo promotion on audio/visual big screen at event

- Logo on printed table-top recognition sign
Platinum Sponsor
$15,000

- Premium seating and (2) reserved tables (8ppl) for evening dinner and program*
- .20 second promotional video (provided by sponsor) to be played onsite
- Promotion across Texas FFA Foundation social media platforms
- Logo recognition on event sponsor signage
- Logo recognition in printed event program
- Logo promotion on audio/visual big screen at event
- Logo on printed table-top recognition sign

Blue & Gold Sponsor
$10,000

- Premium seating and (2) reserved tables (8ppl) for evening dinner and program*
- Promotion across Texas FFA Foundation social media platforms
- Logo recognition on event sponsor signage
- Logo recognition in printed event program
- Logo promotion on audio/visual big screen at event
- Logo on printed table-top recognition sign
Gold Sponsor
$5,000
- Premium seating and (1) reserved table (8ppl) for evening dinner and program*
- Promotion across Texas FFA Foundation social media platforms
- Printed name recognition in the event program
- Printed promotion on audio/visual big screen at event
- Logo on printed table-top recognition sign

Silver Sponsor
$3,500
- (1) Reserved tables (8ppl) for evening dinner and program*
- Printed name recognition in the event program
- Printed promotion on audio/visual big screen at event
- Logo on printed table-top recognition sign

Bronze Sponsor
$1,500
- (4) tickets to fundraising dinner
- Printed name recognition in the event program
- Printed promotion on audio/visual big screen at event

Proud Supporter
- Recognition of gifts up to $1,500
- Promotion (text) printed event program
We invite our sponsors to join us for any of the panel discussions or tours during the leadership conference.

We value your support and want you to see firsthand where your investment meets return.
On behalf of the more than 200,000 students enrolled in agricultural science courses; the more than 130,000 Texas FFA members; and 2,400 Texas agricultural science teachers thank you for supporting scholarships, leadership development opportunities and agricultural literacy efforts.
JUST IN CASE:

We have learned early in the planning of this first ever event we may exceed our capacity in honoring all the sponsorship recognitions onsite of the event - **we will honor them**.

If that is the case, we will provide equitable sponsorship recognition / promotion throughout the Texas FFA Foundation social media, annual Texas FFA Convention and other events and activities where we can **confidently share your generous support**.
Sponsorship Guidelines

The Texas FFA Foundation Sponsorship Programs are designed to encourage optimum promotion for your support.

- All sponsorship payments should be made to the Texas FFA Foundation and denoted for Growing Our Future Event.

- All rules, guidelines and requirements of usage of the FFA logo, marks and emblem are at the direction of the Texas FFA Association and National FFA Organization.

DISCLAIMER

Sponsorship recognitions by the Texas FFA Foundation do not constitute an endorsement by the Foundation of the products or services of the sponsoring company, organization or individual. Funds received through the Texas FFA Foundation will be used to support the Texas FFA and agricultural science education. Any funds raised in excess of budgeted costs associated with special projects, convention or conference will be used to preserve the strength and future of the Texas agricultural science education and Texas FFA programming.

The Texas FFA Foundation is a nonprofit 501(c)3 organization and contributions are tax deductible.
Growing Our Future
Sponsorship Commitment Form

Once processed, you will receive confirmation of your participation in the Texas FFA Foundation sponsorship program. Updates will be sent to you regarding any publication, printing or promotional suspense dates to ensure the highest quality experience. If you ever have any questions, please do not hesitate to call or email.
